A BRIEF PROFILE

About Us

Our Distinguished History

Invest Africa Legal Consultants is a firm of lawyers founded by Benedict Maige Nchalla (Ph.D), a licensed Attorney of the High Court of Tanzania, Subordinate Courts and an Accredited Legal Counsel of the African Court on Human and Peoples' Rights, a Judicial Organ of the African Union. Dr. Nchalla, a law graduate from the prestigious Universities of Arizona (U.S), Cambridge (U.K) and Pretoria (S.A), is a Tanzania-based lawyer and an Expert in Investment, Business and Human Rights areas of law.

After almost two decades of teaching, research, consultancy and practicing the law, Dr. Nchalla decided to establish a Premier consulting firm to assist the business community both domestic and foreign in smooth handling of their business and investment legal issues.

The Consultancy Firm entices its strength from a team of astute lawyers with a vast knowledge in various areas of law, who includes a well reputable Consultant, a retired Judge of the High Court of Tanzania, Hon. Judge (rtd) M. D. Nchalla. With his experience spanning from more than three decades on the bench and two decades of private practice with Juristic Law

Chambers which he founded himself in 2003. Hon. Judge (rtd) Nchalla, the biological father of the Founder of this consulting firm Dr. Nchalla made sure that, his well-established legacy and footprints in the legal profession continue to exist and flourish in the hands of a trusted legal mind his Son.

Our Commitment to Responsible Business Practices

Invest Africa Legal Consultants brings insight and foresight to serve a niche set of corporate clients across the corporate World both domestic & foreign.

Our team works alongside our clients to drive growth that is both sustainable and inclusive which is an apt solution for a connected World. Our integrated client-based solutions provide unified advice, well informed by deep practice and sector expertise, as well as firsthand local market information to avoid risks from human rights violation, environmental degradation, labour issues, and social context—thus facilitating the Africa Union's fulfillment of Agenda 2063 Goals "the Africa We Want".
